Report of Principal and School Improvement Council

McDonald Green Elementary's 2009-2010 school year has been an exciting and great year for the "High Flying Dragonflies." The school's successes and productivity can be contributed to our devoted students, parents, faculty, and staff. We are also appreciative of our PTO, School Improvement Council, and businesses partners for their support of our school family.

Because of dedicated teachers, McDonald Green Elementary continues to make vast improvements on local and state assessments. The school's 2009 Report Card Absolute Rating increased from Good to Excellent and the Growth Rating increased from Below Average to Average. As a result of our school's report card ratings, McDonald Green Elementary is a recipient for the SC State Department Palmetto Gold Award for the school's absolute report card rating and the Palmetto Silver Award for "Closing the Achievement Gap" in the area of math. The students made significant gain throughout all subject areas. We believe that our overall increase in achievement can be contributed to our kindergarten through second-grade teachers laying a great foundation for our students, as well as our third through fifth-grade teachers building upon the solid foundation in place and striving for academic excellence to ensure all children are successful.

We continue to update our technology by providing additional Smart Boards, Smart Document Cameras, and a new laptop computer lab for students to work on Study Island and other computer based programs to strengthen our instructional programs. By using the technology and research based instructional strategies, McDonald Green Elementary has allowed the students to be actively engaged in their learning. McDonald Green Elementary continues to use fiction and nonfictional literature, the arts through differentiated instruction, and in-school field trips such as gem-mining, animal dissection and the Living Museum to increase the school's core curriculum.

Because of McDonald Green Elementary's faculty and students' hard work and the continued academic gains, the school represents an atmosphere that's conducive to learning. McDonald Green Elementary is proud to offer each student a well-rounded educational experience.
